Dear Parents/Guardians and Students,

Starting this Spring, Janelle Bugarini will be taking over two Spanish for Native Speakers classes in the World Language Department. This means she will no longer be teaching her CPA Spanish 5/6 class (p.1) or her CPA Spanish 1/2 class (p. 5). Starting on Feb. 2, P. 1 and p. 5 will move to Portable 1 and will be taught by Mr. Christian Riley.

Mr. Riley earned his B.A. in Anthropology with a minor in Spanish Language and Literature from the University of California, Berkeley and his teaching credential from Cal State Hayward. He has studied in Cuba and Chile and has traveled extensively throughout Spain and Latin America. He has taught in the Hayward Unified School District and at Castro Valley High School. We believe that he is a great match for our students.

Ms. Bugarini and Mr. Riley will be communicating regarding the CPA students and their progress in the Fall Semester. We believe the transition will be smooth and we are confident that our students will receive a quality education with Mr. Riley.

If you have any questions or concerns, please contact me via email at kglenchur@berkeley.k12.ca.us or 644-4566.

Sincerely,

Kristin Glenchur
Vice-Principal
