results of AP English

Hi All,

After much discussion from parents, students and staff two proposals on AP English were voted on in the Leadership Council meeting held on 19th June 2006.

The first proposal was passed by consensus (with one withdrawal later) as follows:

"Proposal to set a goal for the Academy to offer a CP Academy AP English option to any junior or senior student who wishes to take it, without diverting resources from internships."

The second proposal was:

"Proposal to accommodate separate AP and non-AP English classes in the junior year by dividing the students for their History and English classes into two groups, those who wish to take AP English and those who do not, as long as the resulting class size does not become excessive (over 35?).

The second proposal was not passed. There were 4 thumbs up, 6 thumbs down, and one thumb sideways.
